

#THANKSCOACH PROFILES

Writing a profile about a coach who has had a positive impact on your community is a great way to say thanks. The #ThanksCoach profile initiative is part of National Coaches Week that helps celebrate the diversity of coaches across Canada and the positive impact they have across the country.

Below are some questions you can provide your athletes with to get information about coaches in your community that you want to profile. Share the profile on your website, eNewsletter, or by social media, and tell us about a coach that deserves a big thank you. Don't forget to add a great action shot of your coach!
