Lifelong Learning, Maintenance of Certification
Professional Development

Updated: December 2020

Coaching Association of Canada

The Coaching Association of Canada (CAC) unites stakeholders and partners in its commitment to raising the skills and stature of coaches, and ultimately expanding their reach and influence. Through its programs, the CAC empowers coaches with knowledge and skills, promotes ethics, fosters positive attitudes, builds competence, and increases the credibility and recognition of coaches.

We aim to **enhance the experiences of all athletes and participants in Canada through quality coaching**. We foster this through key pillars of coaching leadership and sustainable coaching education. Our coach development supports coaches from grassroots, to professional levels and beyond.

Who are our coaches?

The CAC provides direct access to an expansive network of Community leaders across Canada. With membership of over **1.6 million coaches** and over 60,000 new coaches joining each day, our partners have the opportunity to engage with a captive audience of their target demographic, who are passionate, and loyal to brand that support their cause.
