

Program Guidelines

The Coaching Association of Canada (CAC) offers grants to National Sport Organizations (NSOs) that organize and operate programs and initiatives to increase the number of coaches who identify with one or more of the CAC's Priority Groups. In the [Equity, Diversity and Inclusion Policy](#), the CAC defines Priority Groups as “women, visible minorities, persons with disabilities, Indigenous Peoples, and people that identify with the LGBTQI2S+ community”.

Program Goal

Support the development and implementation of projects by NSOs to increase the diversity of coaches in Canada.

Funding

Ten (10) grants of \$500 are available to NSOs that provide a matching grant of \$500. Funding must be used for expenses related to the project. Please contact CAC to discuss eligible and ineligible expenditures. All project activities must be completed by March 31, 2023.

Eligible projects may include, but are not limited to:

- Hosting NCCP Workshops for coaches
- Developing a mentorship program
- Developing a Community of Practice
- Providing practical coaching experiences for coaches (example: attending a National Championships in a coach apprentice role)

The CAC distributes all approved grants through a claim for reimbursement of expenses upon receipt of the final report, which evaluates the initiative's outcomes.
